20/11/2025	Thursday	A & L arrive Man 10am / Ken Travel to Kailahun

October 2025

Taking the Good News of Jesus into the world

Hi,

We are leaving for Sierra Leone on 29th October for 3 weeks. Here is a quick pre trip update to let you know what we will be doing during our time in Kailahun. As usual it will be a very busy schedule. We very much appreciate your prayers and encouragement so please get in touch if you have any questions, or words of encouragement for us.

With love and blessings,
Ali & Lorraine. xx

WhatsApp Group

We will be setting up a WhatsApp group to keep you all updated while we are away in relation to all that God is doing. We will include videos, prayer requests photos and regular updates. I will send invites out to join the group so as people can opt in rather than having to opt out. We will not be offended if you do not join the group, please do not feel obliged. We understand that these groups can be a lot.

As usual we are expecting to have a busy trip. We always have lots we need to fit in and never enough time. As you can see from the above draft schedule, we have a varied program for our time in Kailahun.

You may be aware that we are currently working on the development of a piece of land in Kailahun which we have purchased. We have called the land 'The Promised Land' and we are on the way to making the ministry self-sustaining through the development of this land. This is our heart and our vision for the way forward for the ministry in West Africa. We know that as times move on it is becoming harder to raise funds but also to send funds overseas. Our desire is that the work will continue moving forward even when we are not able to send funds or visit.

The vision is

To develop

'The Promised Land'

and by doing this make Maranatha Christian Outreach Ministries self-sustainable.

We will build a

'Discipleship Training Centre'

where disciples will be trained, and released to GO, and make disciples of all nations.

The cassava is flourishing and will be ready for harvesting while we are there. Join us as we pray for a bumper first harvest from 'The Promised Land'

We have nearly finished the 'Chicken House', a 30 x 40 ft structure which will be able to house up to 500 chickens. We have finished the structure though there are some

wooden internal dividing walls that still need to be built. We have this week sent funds to purchase the solar light system. All that is needed now is to pay for the internal dividing walls (£400), buy some feeders (£180), and then buy the first 200 chickens (£335), this price includes 2 months of chicken food and all the necessary vaccinations. We also need to raise another £35 per month to pay for night security.

If you can help financially, please get in touch. We are extremely grateful for all donations we receive, and all funds go direct to the work on the ground. Every little bit helps. We are totally self-funded so any gifts towards our expenses are also always very helpful, costs have doubled over the last few years, and it is becoming increasingly more difficult to find funds to travel, but our God is incredibly faithful. Lorraine does now travel alone once a year to keep costs down. Please get in touch if you have any

questions and please continue to **PRAY** for Gods provision for the ministry. Pray for us, our family and the team in Sierra Leone, this really is so important. Love and blessings, Ali & Lorraine xx
