## Taking the Good News of Jesus into the world

*A note from Ali & Lorraine*

Hello to all our friends and supporters. Thank you for taking the time to read our latest newsletter. We hope you enjoy keeping up to date with of our ongoing work in Kailahun.

We thank God for all of you, for your support and encouragement as we continue to serve the Lord in Sierra Leone. None of this would be possible without you all helping and supporting in your own way.

Please get in touch if you have any questions. With love and blessings, from Ali & Lorraine. xx

Our last update was in December 2021 following our trip to Kailahun in November. Since then, the work has continued under the supervision of Ken and Gloria Fullah. We thank God every day for this wonderful couple, for their faithfulness, hard work and dedication in ensuring that both the Maranatha work and the Transformed International work continues. There is so much to do and so many people to reach, we will continue until the Lord says we have finished. Until then we continue working in supporting Ken, Mummy Gloria, and the teams on the ground.

# Let Us Give Thanks to God

As always, we would like to start by giving thanks to God for His ongoing provision, we are so grateful that our work can continue. We are living in very difficult days, and costs are increasing at a fast pace, our God is faithful and because of that our work moves forward. Since we returned from Kailahun at the end of 2021 the work has continued though the challenges increase.

## October Trip - 5<sup>th</sup> October to 2<sup>nd</sup> November 2022

We usually try to travel to Sierra Leone twice a year but unfortunately this year that is not possible because of the increased costs. With this in mind we have decided to extend our stay to a month. This will give us extra time to visit more villages and communities where we work and it will also give us the opportunity to spend more time with our team and their families in Kailahun. We are aware that our presence in Kailahun is very much appreciated by Ken, Gloria and the team and it encourages them immensely in the work.

We have a very busy schedule, which I will send out prior to us leaving the UK in early October, so you can all be upholding us in prayer during our trip. As well as visiting communities where we have ongoing discipleship groups, we will be visiting Africa Youth Award Groups. We will also be meeting with the AYA team for a day of training and will be having team meetings with the Watchmen International and Maranatha Teams. Please be praying for us as we prepare to travel, that we will remain COVID free and that the Lord will equip us in every way for all that will be expected of us, we will both be ministering at different churches in Kailahun while we are there.

JULY 2022

## How you can help

Sierra Leone is facing increasing challenges as is most of the world due to the effects of COVID and now the war in Ukraine and the knock-on effects it is having on all of us. Fuel prices continue to increase and fuel supply is becoming more difficult. Fuel has doubled in price since our visit in November which means our ongoing costs have increased considerably. Our main cost is fuel. Currently we have £170 a month coming in through regular gifts, it would be amazing if we could raise another £120 per month in regular monthly gifts, regular gifts mean we can plan our ministry more effectively. We really don't want to have to cut back on our current program and we want to be able to maintain the work we are doing in the communities we are currently working in.

Today we have had to send £980 to repair the vehicle after the injection fuel pump failed, this has used up most of our reserves and so we are really praying that this cost can be recovered. If you are able to give a one off gift towards this expense we would be very grateful. We also need to buy a new generator, Ken has just sourced one in Freetown at around £400. Our current generator we use to show the Jesus film is regularly breaking down and needs replacing.

We never like asking for funds but we know without finances we cannot do the things we believe the Lord is asking us to do. If you are able to help by giving a one-off donation or by a smaller regular monthly donation, we would be really grateful, please pray and see what Holy Spirit says.

If you are able to help, please get in touch.

## Ongoing Prayer

Thank you so much for your support, encouragement, and prayers. We know that all we do needs to be covered in prayer. We would really appreciate your continued support in this. Below are some areas of prayer that we feel are key as we move forward at this time.

*Please pray for Pastor Ken Fullah, Mummy Gloria Fullah, and the team.*

- Give thanks to God for His goodness and His provision. He has done so much and brought the work so far. We are so thankful for all He has done
- Pray for the protection of our team as they travel around ministering, also pray for their families, for continued good health.
- Pray for the economic situation in Sierra Leone as the costs of fuel and food continue to rise at an alarming rate.
- Pray for the people of Sierra Leone as they struggle to live with rising costs.
- Pray for God's continued provision for our team and the ministry. For increased regular monthly income to cover all our costs as we move forward. Also for our specific financial needs for the fuel pump and a generator.
- Pray that the vehicle will be protected from any accidents or any further mechanical failure.
- Pray that the light of Jesus will shine in the darkness of Kailahun, and many lives will be totally transformed. That the light of the Lord Jesus will rise upon our team and the Spirit of God within them will attract many to Himself.
- Pray against jealousy and division amongst God's people.
- Pray for all those who have been touched by the ministry over the years, that God will continue to transform them, that they will live lives that honour Jesus.
- Pray for us and our family.
- For the ongoing work of Transformed International and Lifewater UK and all those involved in the work both here in the UK and across Africa.

## Isaiah 61:1

The SPIRIT of the Lord GOD is upon ME  
Because the LORD has anointed Me.  
The Sovereign Lord GOD has sent Me:-  
To bring good news to the afflicted  
To bind up the broken-hearted,  
To proclaim liberty to captives  
And freedom to prisoners..
