## Taking the Good News of Jesus in to the villages and communities of Kailahun

### The Fields are RIPE for harvest.

The work in Kailahun continues to grow and it is so exciting to hear that the gospel is being preached in villages and communities that have no church and the people have never heard the gospel message before. The people in these villages are hungry for more of Jesus and are pleading with our team to return.

Since we left Kailahun at the end of January 954 people have made first time decisions for Jesus. How amazing is that? We are so humbled that God is doing this and allowing us to help Him, what an amazing privilege, what an awesome God we serve.

Please continue to pray for our dedicated team of laid down servants, who are tirelessly and selflessly going out to reap a harvest that is **READY**. *Matthew 9:37 "The harvest is plentiful, but the workers are few"*. We actually have the workers we just need more funds so as our 'workers' can do follow up work in these communities and ensure we are making disciples and not just converts. A few small monthly gifts would make this possible.

Could **you** help?

### A quick note from Ali & Lorraine

At last the weather is improving and we are warming up. Thank you so much for choosing to read our news updates.

We are aware that many people don't even open the email newsletters so it would be a great encouragement to us if you could drop us a quick line and let us know what you think. Please let us know if there any questions you have that we haven't covered, are there things that you would be interested in knowing about and understanding a little better. Generally, how can we improve our communications with you, our family, friends and supporters? How can we keep you better informed? Please let us know. We love and appreciate you all, God Bless from

Ali & Lorraine xxx

## March / April Outreaches

Below is a brief report from each of the outreaches that took place in March and April. Be Blessed.

### Dambala

Our team visited Dambala on 17<sup>th</sup> March 2018. Dambala is one of the remotest communities in the Kailahun district and has a very high poverty rate. The team showed the Jesus film and Pastor Fullah then preached a gospel message. Out of a village with a population of 150 people 66 attended the outreach program and 47 of them responded to the gospel message. That is one third of the village population who are now followers of Jesus. We think this is incredible.

### Borbu

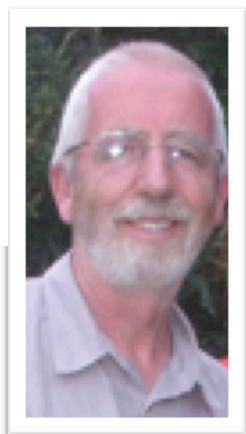

Borbu is a larger community with a population of approximately 600 people who are mainly muslim. This village is just a few miles out side of Kailahun town. Approximately 250 people attended the activities and 69 people responded to the gospel message. After the alter call our team prayed for the sick and those struggling with demonic forces and it is reported that many were healed and set free. The community requested that our team make regular visits to their village.

***During March and April the number of activities were reduced because of the Sierra Leone presidential elections, which took place in March.***

### HOT OF THE PRESS

We are very excited to be able to bring some hot of the press news. In January 2019 we will be visiting Kailahun for 4 weeks from the 8th Jan to 7<sup>th</sup> Feb. Roger London, from Watchmen International, will be joining us for the first two weeks and will be delivering the Spiritual Transformation Training Programme (STTP) to around 50 Pastors and Church Leaders. Many of the church Pastors and Leaders have no formal training and so this sort of program is vitally important. As you can imagine Pastor Fullah and the team are very excited. We will bring more information over the coming months.

## Adullum Bible Church and Primary School

Last month we told you about the Adullum Bible Church Primary School and showed some photographs of the classes. Thank you to a couple of very generous donations we are thrilled to be able to say that the school is now almost complete and we are hoping that the children will be able to move in very soon. We still need to put in the drainage and paint it but we are nearly there.

**Thank you to those who have helped make this happen.**

Thank you so much for your support, encouragement and prayers. We know that all we are doing needs to be covered in prayer so we would really appreciate your continued support in this. Below are some areas of prayer that we feel are key as we move forward.

Please pray for Pastor Ken Fullah, Mummy Gloria Fullah, Pastor Samuel Sorrie, their families and the MCOM Team.

- Protection for our team in Kailahun and their families, for good health and provision.
- That we will see the power of God moving at the outreach meetings and many more people reached with the Gospel message.
- That we will see many more healing miracles, more than we could ever imagine.
- As the team seek God and pray about the next step in relation to follow up and discipleship that God will give them divine strategies and will bring in the provision.
- For the planning of the STTP in January, that everything will go smoothly and to plan, that the right people will attend and for Roger as he prepares.
- That all the plans of the enemy against this ministry will be destroyed, no weapon formed against us will prosper.
- That the light of Jesus will shine in the darkness of Kailahun and many lives will be totally transformed.
- Pray against jealousy and division amongst Gods people.
- Pray for Ali, Lorraine and their family.

# Isaiah 61:1

The SPIRIT of the Lord GOD is upon ME

Because the LORD has anointed Me.

The Sovereign Lord GOD has sent Me:-

To bring good news to the afflicted

To bind up the broken-hearted,

To proclaim liberty to captives

And freedom to prisoners..
