July 2018

Taking the  
Good News of  
Jesus into the  
villages and  
communities of  
Kailahun

### A quick note from Ali & Lorraine

Happy July from a sunny UK. It is so unusual for us to enjoy such a prolonged period of lovely summer weather here in the UK and so we are making the best of it. While we are enjoying the sunshine here, in Sierra Leone it is raining hard and so the outreaches are very difficult.

Ali has been to Uganda for 2 weeks with Roger London from Watchmen International (WI), an organisation we are directors of. He has been involved in a water filter distribution at the Kyaka 2 Refugee Camp and a WI International Team Leaders meeting. While Ali has been away I have been very busy decorating.

Love and blessings to you all and thank you for your continued love and support,

Ali & Lorraine xxx

Sierra Leone is  
very wet right now.

The weather in Kailahun is making it difficult to do the outreaches right now but still our team continues to do all they can to proclaim the good news of Jesus in and around Kailahun town. Our team have been praying and seeking God on how to best follow up in the communities where they have previously visited with the Jesus film and how best to disciple those who are newly converted. We need more funds so as our 'workers' can do this follow up work, in these communities, which is so important, we really need to ensure we are making disciples and not just converts. Ali and I are really keen to see this happen, it bothers us that our teams are going in to communities, people are responding to the gospel and then are just left, we know this is not ideal and are seeking God for a way forward.

A few small monthly gifts would make this possible. Could **you** help? Please prayerfully consider a small monthly gift so as together, we can do this.

## June Outreaches

Below is a brief report from each of the outreaches that took place in March and April. Be Blessed.

### Morfindor

Our team visited Morfindor on 17<sup>th</sup> June 2018. Morfindor is a place very close to our hearts. James Fatorma our very dear friend who tragically died last December was from this village and we visited this village with him on numerous occasions. At James' 40 days (post death) ceremony, which we attended, Pastor Fullah promised the community that Marantha COM would come and do an outreach here. We are thrilled that this has now taken place and many people responded to the gospel.

### Konjo

Konjo is about 15 miles from Kailahun Town and 2 miles from the Liberian border. Our team visited this village on the 28<sup>th</sup> June where they saw God move in a powerful way and once again many people committed their lives to Jesus. The people in this village are living in abject poverty with no safe water and no health care facilities.

### Benduma

On the 30<sup>th</sup> June our team travelled to Benduma which is 10 miles from Kailahun Town just 3 miles from the Guinea border here, Pastor Fullah preached about the soon return of Jesus, again many people responded including a lady who has for many years led the people to worship "the marine spirit" and is said to be married to "Musa" the Marine Spirit. The team will be returning to follow up in this village very soon. God really is doing some amazing things, please keep praying.

## Maranatha Motor Bike

We now have our very own motorbike, this means that outreach costs will reduce as we will have one less bike to hire for each outreach. This bike will also be used for follow up in the villages. Thank you to The Norman Whiteley Trust who helped with set up funds to facilitate the work of Marantha COM and provided the funds for us to be able to supply this motorbike.

## Preparations Underway

We are so looking forward to our visit to Kailahun in January where Roger London and Stephen Nsibambi from Watchmen International will be joining us to deliver the Spiritual Transformation Training Programme (STTP) to around 50 pastors and church leaders. Preparations are well underway and Pastor Fullah and the Team are so excited. Pastor Fullah and Pastor Sorrie recently visited Liberia and Guinea to discuss with some Pastor friends of theirs about attending the training. It looks like it is going to be an international event.

## Adullum Bible Church and Primary School

Thanks to those who have given in to this project. The building is now completed and just needs painting, which should happen once the rains ease off. This means that the children in year 4,5 and 6 will start back in their new classrooms in September. Altogether this building has cost approximately £2,000. There is enough land to build another classroom block of 3 further classrooms for classes 1,2 and 3. If you feel you would like to help in making this happen then please get in touch.

**Thank you to those who have helped build these classrooms.**

Thank you so much for your support, encouragement and prayers. We know that all we are doing needs to be covered in prayer so we would really appreciate your continued support in this. Below are some areas of prayer that we feel are key as we move forward.

Please pray for Pastor Ken Fullah, Mummy Gloria Fullah, Pastor Samuel Sorrie, their families and the MCOM Team.

- Protection for our team in Kailahun and their families, for good health and provision.
- That we will see the power of God moving at the outreach meetings and many more people reached with the Gospel message.
- That we will see many more healing miracles, more than we could ever imagine.
- As the team seek God and pray about the next step in relation to follow up and discipleship that God will give them divine strategies and will bring in the provision.
- For the planning of the STTP in January, that everything will go smoothly and to plan, that the right people will attend and for Roger and Stephen as they prepare.
- That all the plans of the enemy against this ministry will be destroyed, no weapon formed against us will prosper.
- That the light of Jesus will shine in the darkness of Kailahun and many lives will be totally transformed.
- Pray against jealousy and division amongst Gods people.
- Pray for Ali, Lorraine and their family.

## Isaiah 61:1

The SPIRIT of the Lord GOD is upon ME  
 Because the LORD has anointed Me.  
 The Sovereign Lord GOD has sent Me:-  
 To bring good news to the afflicted  
 To bind up the broken-hearted,  
 To proclaim liberty to captives  
 And freedom to prisoners..
